

Asphalt Emulsion Manufacturers Association

- **Membership includes:**
 - North American Manufacturers of Asphalt Emulsions
 - International Manufacturers of Asphalt Emulsions
 - Supplier Members
 - Associate Members
 - Individual Members
 - Honorary Members

Asphalt Emulsions Role In Pavement Preservation

- Excellent sealer and adhesive for chip seal and fog seal applications
- Superior dust palliative
- High quality binder for microsurfacing and slurry seal applications
- Engineered asphalt emulsions for use in Full Depth Reclamation and Cold In-Place Recycling

Benefits of Asphalt Emulsions

- Safe
- Environmentally friendly
- Energy efficient
- Cost Effective
- Wide variety of emulsions designed for multiple applications
- Excellent waterproofer and sealing qualities
