

MPPP Update

Where did we start, what have we done,
and where do we want to go in the future?

MPPP History

- Initial Meeting in 2001
- 2002 Meeting – Write By-Laws and Develop a Pooled Fund to Cover Travel Costs
- 2005 – 2007 - Transportation System Preservation Technical Services Program – TSP*2 – Regional Partnerships

MPPP Recent Efforts

- Conduct Annual Meetings
- Three Task Forces
 - Certification, Product Evaluation, Research
- Support MPPP Travel to Other Partnership Meetings
- Develop Research Needs and Collaborate with Other Groups
- Fund Research with Partnership Funds

2015 Meeting Challenge

- Need to take the partnership to the “Next Level”
- Develop some near term goals to work toward
- Find ways to develop a closer relationship with industry and other partnerships
- Improve connection with local governments
- Increase participation

Work Plan Priorities

1. State Treatment Data Collection
 - Populate TSP*2 Website with Agency Treatment Data
2. Treatments and Specifications Database
 - Display Agency Treatment Specifications on TSP*2 Website
3. State Research Database
 - Expand TSP*2 Pavement Preservation Research Roadmap

Work Plan - continued

4. Submit Trade Magazine Articles
 - Write Articles About Preservation Initiatives and Projects

5. Increase Industry Involvement
 - Expand Industry's Role in Partnership

6. Explore Research Opportunities
 - Propose Research Needs and Assist in Finding Financial Support

- Changes Needed to Accomplish Work Plan
 - Revise By-Laws to Add Industry Officer
 - Review Task Force Focus to Align with Work Plan
 - Develop Procedures for Collection of Agency Information
 - Support More Consistent Membership Participation
 - Promote Greater City & County Involvement

Thank You
