

RMWPPP

**Pavement/Bridge Preservation
Part of the Culture
Task Force Guidance**

**Stan Burns
Director Asset Management
Utah Department of Transportation**

UDOT's Strategic Direction

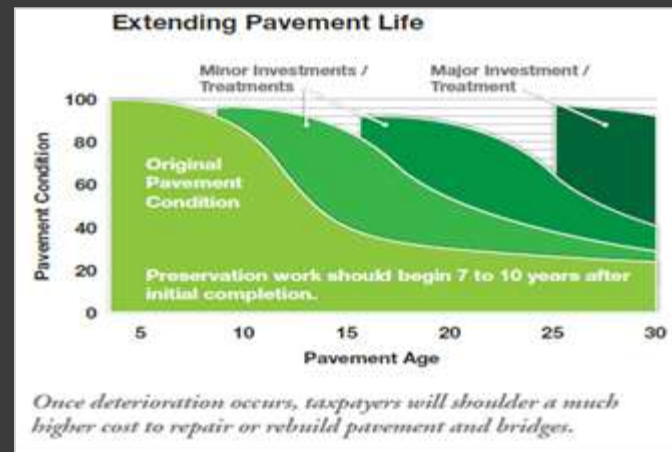

- ◎ The Final Four
 - Take Care of What We Have
 - Make the System Work Better
 - Improve Safety
 - Increase Capacity

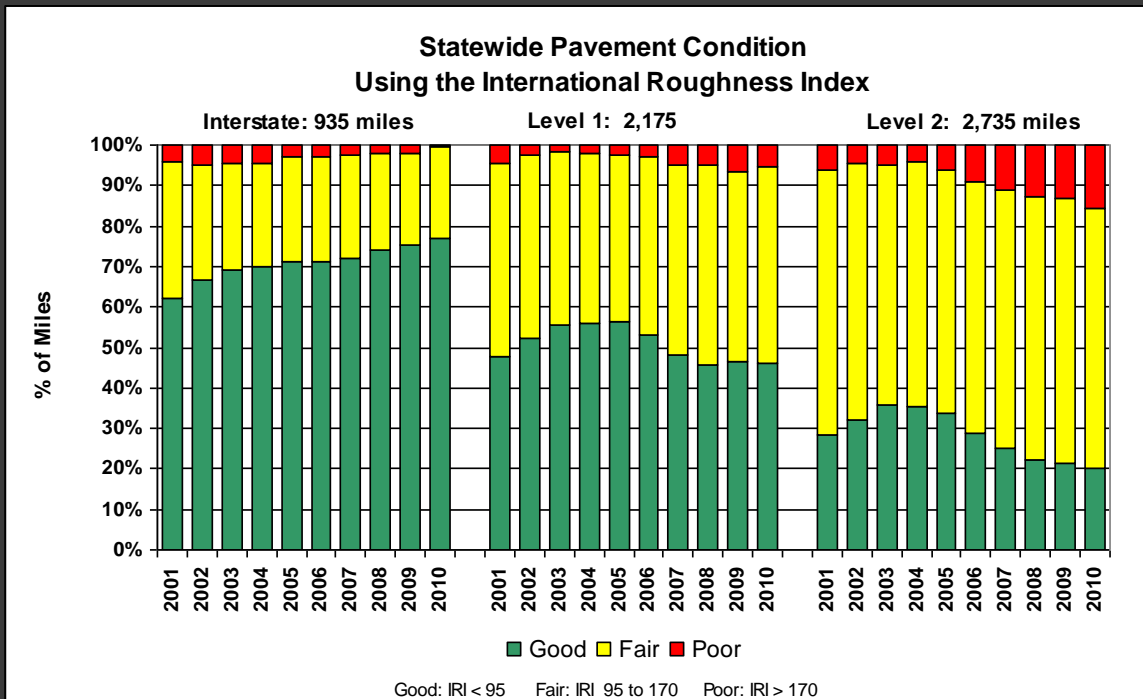

Take Care of What We Have

Pavement Preservation Part of UDOT Culture

- Good Roads Costs Less
- A Plan for Every Section
- Once Deterioration Begins...

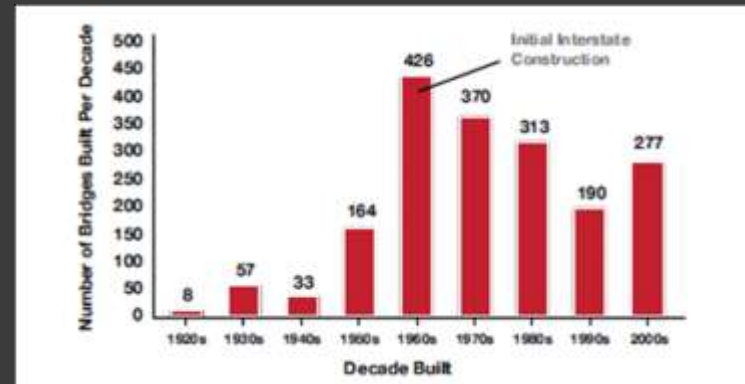

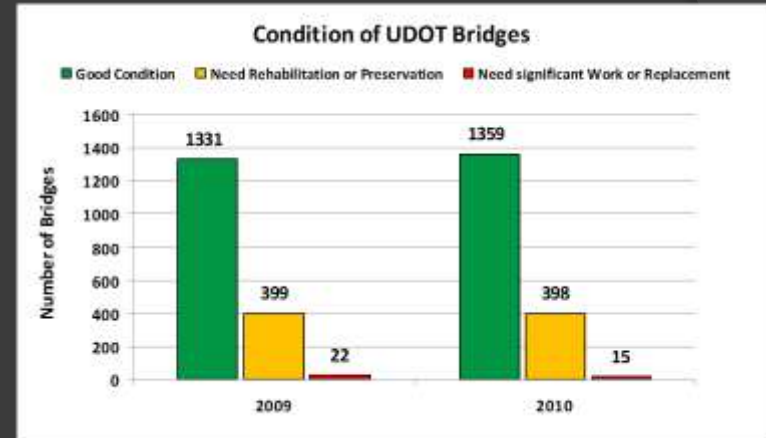

System Condition Performance Measures

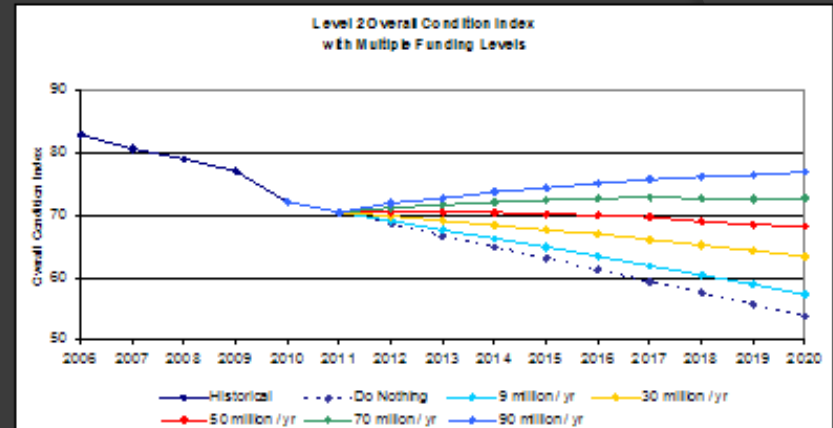

Bridge Condition

- ⦿ Excellent Health
- ⦿ “Balloon Payment”
- ⦿ Bridge Preservation
- ⦿ Cross Asset Optimization

Setting Targets

- Challenge
 - Not a Trivial Task
- What is the Right Value
- Show how Different Funding Effects Performance

National Performance Measures

- Safety
- Pavement Preservation
- Bridge Preservation
- Congestion/Operations
- Environment
- Freight/Economic Competitiveness
- Transit
- Fatalities, Serious Injuries
- NHS - IRI & Structural Index
- NHS - Decks Deficient
- Speed Metrics
- TBD
- Speed, Travel Time
- TBD
