

# In-Place Recycling In California

---

*International & Western States  
In-Place Recycling Conference*

*August 5-7, 2014*

*Denver, Colorado*

*Hamid Moussavi, P.E.*

*Pavement Engineer*

*California Department of Transportation*

# California

Area – 163,707 square miles  
3<sup>rd</sup> largest state after Alaska  
& Texas.

58 Counties

Population > 37 million,  
most populous state in the  
USA

# Caltrans Demographics

- In excess of 20,000 PYs
- 15,000 miles of SHS, Approximately 50,500 lane miles (55% annual vehicle miles of travel).
- Approximately 70% of the California highway system are asphalt.
- In 2013/14, RTL 219 projects totaling \$2.5 billion.
- HM program allocation funding is currently \$234 million per year. This year 27 million additional fund for CIR

# CT past experience with In-Place Recycling

- ❖ CIR & HIR used in 1970's and early 1980's
- ❖ No interest in late 1980's & 1990's
- ❖ 3 HIR projects piloted in 2006-2008
- ❖ 7 FDR projects since 2009
- ❖ 6 CIR projects in 2005/2006
  - Majority yielded positive results
  - Some challenges encountered
  - Recycling STG under PPTG pledged to work as a team to improve CIR specifications.

# How far have we come?

- **51 CIR projects in 2009 to 2013 (164 million)**
- **In 2011 23 CIR projects**
- **We had some challenges:**
  - Variability of existing pavement
  - Emulsion penetration range
  - Compaction
  - LP-8, mix design
  - Coring vs. milling for sampling
  - Smoothness
  - QC/QA

# Why In-Place Recycling

- ❑ Reduce overall cost
- ❑ Re-use valuable existing materials (agg. & asphalt binder)
- ❑ Eliminate distress, provide uniform platform
- ❑ Prevent/reduce future reflective cracking
- ❑ Long hauls for HMA (project location)
- ❑ Recycled pavement can be recycled again

# CALIFORNIA STATE ANIMALS

**CALIFORNIA GOLDEN TROUT**  
*State Fish*

**SABER-TOOTH CAT**  
*State Fossil*

**CALIFORNIA DOG-FACE BUTTERFLY**  
*State Insect*

**CALIFORNIA QUAIL**  
*State Bird*

**CALIFORNIA GRAY WHALE**  
*State Marine Mammal*

**GARIBALDI FISH**  
*State Marine Fish*

**CALIFORNIA GRIZZLY BEAR**  
*State Mammal*

**DESERT TORTOISE**  
*State Reptile*
