

# Virginia Preservation Practices

- **What we use**
  - Crack sealing
  - Chip seals
  - Microsurfacing
  - Thin overlays
  - CIR
  - Concrete patch and diamond grind
- **What we're interested in knowing more about**
  - Rejuvenators

# By the Numbers (2014)

Treatment	Statewide Material Costs
Thin asphalt overlay	\$72,500
Microsurfacing	\$49,000
Chip seal	\$23,000
Slurry seal	\$40,000
All asphalt mixtures	~\$275,000,000
