

# What's new in Oregon

# Superior Brooms replace Broce in new RFP

Approx. \$50K each. They come with improvements over stock Broce Brooms. Like elevated air intake for the HVAC

# Factory stiffeners for the broom carriage

# Elevated air intake for the engine

# Nice air ride seats

# CNG/GAS Dual Fuel 1-ton dump trucks

19K extra for the CNG w/large tank.  
But we save 8K deleting the diesel  
engine.

25 Gallon Gas and 25 Gallon CNG  
capacity.

Oh this is a must have (Not)  
“Swaploader” Hooklift truck. Note how  
tall the bed is.

\$80,221 chassis with two beds.  
Required two for one turned in.

# ODOT's most expensive piece of equipment \$850,000 Mobile Scanner

Laser scanner that fires 1.2 million laser pulses per second, 8 cameras that produce a 360 degree image every few feet

# Haceta Light House Central Oregon Coast
