New York State Department of Transportation  
Pennsylvania Department of Transportation  
Rhode Island Department of Transportation  
Vermont Agency of Transportation

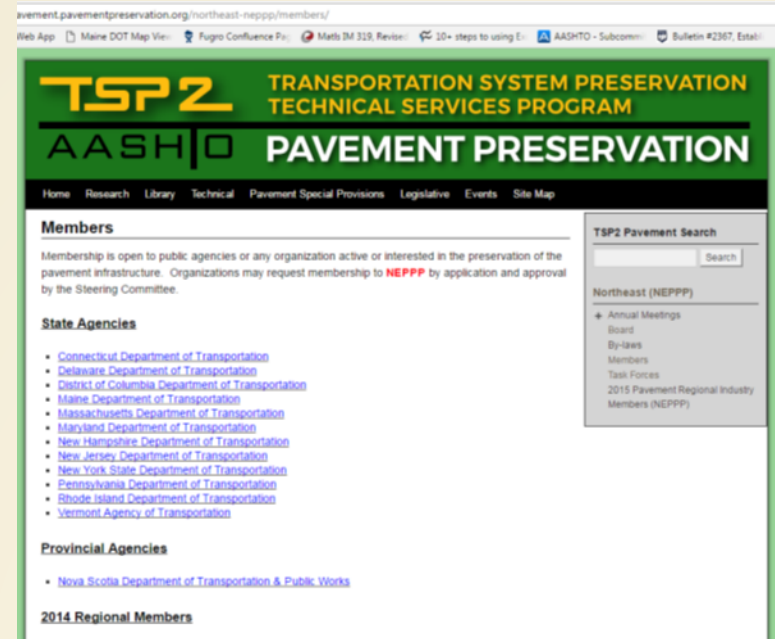

## 1 Provincial Agencies

Nova Scotia Department of Transportation & Public Works

# NEPPP Accomplishments

- Very active in recent years on a number of fronts
- Continued efforts on three major areas; for which there is a task force:
  - Database of state specifications for treatments
  - Project database
  - Research efforts

The screenshot shows the website for the Transportation System Preservation Technical Services Program (TSP2) under the AASHTO Pavement Preservation banner. The page is titled "Members" and includes a search bar for "TSP2 Pavement Search". Below the search bar, there is a section for "Northeast (NEPPP)" with a list of members: Annual Meetings, Board, By-laws, Members, Task Forces, and 2015 Pavement Regional Industry Members (NEPPP). The main content area lists "State Agencies" and "Provincial Agencies".

**Members**

Membership is open to public agencies or any organization active or interested in the preservation of the pavement infrastructure. Organizations may request membership to **NEPPP** by application and approval by the Steering Committee.

**State Agencies**

- [Delaware Department of Transportation](#)
- [District of Columbia Department of Transportation](#)
- [Maine Department of Transportation](#)
- [Massachusetts Department of Transportation](#)
- [Maryland Department of Transportation](#)
- [New Hampshire Department of Transportation](#)
- [New Jersey Department of Transportation](#)
- [New York State Department of Transportation](#)
- [Pennsylvania Department of Transportation](#)
- [Rhode Island Department of Transportation](#)
- [Vermont Agency of Transportation](#)

**Provincial Agencies**

- [Nova Scotia Department of Transportation & Public Works](#)

**2014 Regional Members**

# 2015-2016 NEPPP Accomplishments

- Latest meeting in Delaware in May 2015
- Held a SHRP2 R26 Workshop in Conjunction with NEPPP Meeting
- Submitted performance measures comments as a partnership
- Increased participation by state agencies
- Used available funding to contribute to MN Road/NCAT Preservation Research Program
- Sponsored a third attendee for each member agency to this National Meeting

# NEPPP Future

- High priority initiatives for NEPPP moving forward are the following:
  - Shared agency treatment data collection
  - Improved training opportunities
  - Agency research database
  - Continue to increase participation in the partnership, including local agencies
  - Continued communication regarding MAP-21 implementation
